

# PTO Directory Information

Please allow us to include your family's information in the PTO Directory. This will allow you to receive e-mail updates about the happenings at South Boulevard and to easily contact your child's classmates for homework help and birthday invitations, etc. You will also receive an invitation to the PTO Yahoo group. This group is FREE to join and contains a school calendar, a message board, and places for people to post photos and comments about school events. It's a great way to stay in the loop regarding what's going on at school.

After we update the PTO Directory, we will e-mail it out and possibly print hard copies for a minimal cost.

If you have more than one child at South Boulevard, please just fill this out ONE TIME and include all the kids' names in the spaces provided below.

**Please PRINT!**

Student's First and Last Name:

---

---

---
