South Boulevard Foreign Language Academic Immersion Magnet (FLAIM) Elementary is the 'hidden gem' of the EBR public school system, immersing students in foreign language and academics. In 2010, the Magnet Schools of America recognized it as a Magnet School of Excellence. Further, LEAP test scores for South Boulevard are among Louisiana's best, earning the school a 4-Star status!

As great as South Boulevard is, substantial improvements to its playground would give our children a truly fun recess – recharging them for the rest of each school day. We want to purchase equipment for playground activities, renovate the few existing old playground structures, and purchase new structures. Further, new landscaping would improve the playground's "curbside appeal". The profits from this raffle will be used to give our kids a PLAYGROUND MAKEOVER!

FLAIM families are now selling Gracias-Merci Raffle tickets for a \$20 donation. Purchase tickets online at www.sbpto.org through Google Checkout, or email gracias-merci-raffle@cox.net for someone to contact you. The drawing for the \$3,000 Grand Prize will be held downtown at South Boulevard on 10/15/10 (5:00 p.m.).
